RE: Petition of the Office of Regulatory Staff to Revoke Certificates of Public Convenience and Necessity of Certain Motor Carriers for Failure to File Annual Reports and/or Gross Receipts 2021
Docket No. 2021-360-T

Dear Ms. Boyd:

This letter serves as Hearing Exhibit #4 and is a late filed exhibit pursuant to the request of Commissioner Powers. In today's hearing regarding this matter, ORS was requested to confirm that a carrier listed on its exhibit was correctly included. ORS has confirmed that Lange Moving Systems, Inc. ("the carrier") was correctly included on the exhibit.

The Commission granted a suspension of certificate number 9689 in Order No. 2020-771 dated November 18, 2020 ("Order"). The Order granted the carrier a suspension of its certificate until August 13, 2021. Thereafter, the carrier's certificate was active but out of compliance with the Commission's rules and regulations regarding filing of annual reports and gross receipts. The ORS Petition to Revoke that listed the carrier as out of compliance on its exhibits was filed with the Commission on November 22, 2021. As of today's date, the carrier remained out of compliance and was correctly included on ORS's Revised Exhibit A and Revised Exhibit B.

Thank you for your attention to this matter.

Sincerely,

C. Lessie Hammonds
